

CALL FOR PAPERS

E-MRS 2012 SPRING MEETING

QUANTITATIVE MICROSCOPY OF ENERGY MATERIALS

SYMPOSIUM X

KEY DATA / DEADLINES

Abstract submission: January 12, 2012
Extended call at: www.european-mrs.com
Technical Sessions: May 14-18, 2012
Venue: Congress Centre,
Strasbourg, France

TOPICS

MICRODIAGNOSTICS

- Quantitative microstructure imaging and chemical analysis
- Advanced electron microscopy (3D and in-situ)
- Physical failure analysis
- EBSD, AFM, XAS, XRD

MATERIALS FOR ENERGY

- Solid-oxide fuel cells
- Photovoltaics
- Thermoelectrics
- Polymer electrolyte membranes
- Metals and alloys in energy systems
- Energy storage systems

INVITED SPEAKERS (CONFIRMED)

Rik Brydson	David McComb
Miran Ceh	Paul Midgley
Rafal Dunin-Borkowski	Robin Schäublin
Max Haider	Dries van Gestel
Thomas Klassen	Nestor Zaluzek
Laurent Legras	

ORGANIZERS

Dr. Aïcha Hessler-Wyser
Centre Interdisciplinaire de Microscopie Electronique
École Polytechnique Fédérale de Lausanne

Prof. Dr. Thomas Höche
Fraunhofer Institute for Mechanics of Materials IWM

Prof. Dr. Wolfgang Jäger
Institute for Materials Science
Christian-Albrechts-University Kiel

Dr. Hugo Bender
imec, Leuven
